

INFIN Rejuve BAKUCHIOL

THE NEXT GENERATION PLANT-BASED RETINOL ALTERNATIVE FOR YOUR NEXT FORMULATION

THE POWER TO REJUVENATE

INFIN Rejuve Bakuchiol is a premium natural active ingredient derived from the seeds of *Psoralea corylifolia* (Babchi). A botanical used for centuries in Ayurvedic and traditional Chinese medicine, Bakuchiol delivers retinol-like benefits. Combining ancient botanical wisdom with modern scientific validation, **INFIN Rejuve Bakuchiol** offers a powerful solution for formulators seeking effective, clean-label, and consumer-friendly skin care actives
